NOTES:

1 Client Browser Configurations marked with an "X" are Certified. Configurations that are blank are considered to be Compatible. Certified configurations have undergone a thorough set of testing by Blackboard Quality Assurance. Blackboard recommends that clients adhere to the Certified Client Browser Configurations.

Those Client Browser Configurations identified as Certified have undergone a thorough set of tests conducted by Blackboard Quality Assurance and are 100% supported by Blackboard Product Support. Compatible Client Browser Configurations have undergone a limited engineering analysis, and this designation indicates that Blackboard is not aware of any issues resulting from that configuration.
